

4th European Summit on the Future Internet

13-14 June - Aveiro, Portugal

António Murta degree in Systems Engineering from Minho University, MBA from the ISEE (University of Porto), AMP from INSEAD. He has done also Post-Graduate studies in IESE (Barcelona) and MIT (Boston).

From 1991 to 1997 he was Corporate Information Officer of Sonae Distribuição. He founded and was CEO of Enabler from 1998 onwards - Enabler was a systems integrator strictly focused in Retail.

This company was acquired by Wipro in 2006 and from then to the end of 2009 he was VP of Retail Services at Wipro. He is also a founding partner of various other IT companies connected - MobiComp (now part of Microsoft), IT Peers, Profimetrics, QuiiQ, Cardmobili.

Currently he is Managing Director of Pathena, Knowledge Investments, an investment vehicle that he found jointly with a few other senior partners.

Pathena is a Venture Capital firm with 10 investments done so far and in the final steps of setting-up its first Fund – a 30 to 50 M€ fund. He is also a Member of the General Board of University of Minho, non-exec Director of COTEC Portugal.

Antonio Murta has also been appointed a Member of the National Council for Entrepreneurship and Innovation, as well as Portugal's Representative at the Digital Agenda for Europe.
