

4th European Summit on the Future Internet

13-14 June - Aveiro, Portugal

Ilkka Lakaniemi is Programme Chairman of EU Future Internet - Public-Private Partnership (EU FI-PPP) since April 2013. In this role he oversees Programme evolution and is responsible for external relations.

Mr Lakaniemi works also the Chief Economist at the Finland Chamber of Commerce and as a Senior Advisor at the Aalto University - Business School in Finland.

Prior to the above, Mr Lakaniemi worked in senior management positions at the Nokia Group 2000-2012 in corporate venturing, strategy, marketing and corporate relations. He was also responsible for macroeconomic analysis and Nokia representative at the European Roundtable of the Industrialists, World Bank, OECD and the United Nations.

He is a Visiting Scholar at the University of California at Berkeley and has held academic positions in innovation management, international economics and political economy at US and European universities.
