

4th European Summit on the Future Internet

13-14 June - Aveiro, Portugal

Rolf H. Weber is ordinary Professor for Civil, Commercial and European Law at the University of Zurich, Switzerland, and a Visiting Professor at the University of Hong Kong. His main fields of research are Internet and Information Technology Law, International Business Law, Telecommunications and Media Law, Competition Law and International Financial Law.

Rolf H. Weber is director of the European Law Institute and the Center for Information and Communication Law at the University of Zurich. Since 2008

Rolf H. Weber is member of the Steering Committee of the Global Internet Governance Academic Network (GigaNet) and of the European Dialogue on Internet Governance (EuroDIG) and since 2009 he is member of the High-level Panel of Advisers of the Global Alliance for Information and Communication Technologies and Development (GAID). Besides, he is engaged as an attorney-at-law and as a member of the editorial board of several Swiss and international legal periodicals and serves as expert for several international and national organizations in his wide-spread fields of research. Prof. Weber has intensively published in form of books and peer-reviewed articles on matters of Internet Governance, of the Internet of Things, of international financial law and generally on global governance. His research focus lies on the legal problems related to his research topics, in particular the strengths and weaknesses of possible regulatory regimes.
